

# The City of Shoreline 2023 Summer Gardening Series

## Presented by the King County Master Gardeners

### In partnership with the City of Shoreline

#### Funding provided in part by the Hazardous Waste Management Program

### The City of Shoreline Summer Gardening Series

The City of Shoreline is sponsoring a summer gardening series by the King County Master Gardeners ([KCMG](#)) to provide research-based education about urban horticulture and sustainable gardening. The KCMG classes emphasize techniques to prevent or reduce the use of pesticides, herbicides, and other hazardous materials. The classes are designed as introduction, or refresher, courses for individuals interested in learning current, science-based approaches to different topics in gardening.

#### Class schedule:

### Growing Vegetables

An introduction to PNW vegetable gardening with Master Gardener Jim Olson. Learn how to maximize your gardening space, whether in ground or in containers, fertilization, irrigation, integrated pest management, plant selection and planting dates.

Date and Time: Saturday, May 20, 10-11 AM

Location: Shoreline City Hall, 17500 Midvale Ave N, Shoreline, WA 98133

Additional information:

<https://extension.wsu.edu/king/tip-sheet-5-edible-gardening/>

<http://gardening.wsu.edu/vegetable-gardens/>

### Growing Tomatoes

An introduction to PNW tomato gardening with Master Gardener Joe Jennings. Learn about variety selection, soil preparation, planting (container, raised bed and in ground), pest and disease management, and scaffolding.

Date and Time: Saturday, May 27, 10-11 AM

Location: Shoreline City Hall, 17500 Midvale Ave N, Shoreline, WA 98133

Additional information:

<https://extension.wsu.edu/king/tip-sheet-7-tomatoes/>

<https://pubs.extension.wsu.edu/growing-tomatoes-in-home-gardens-home-garden-series>

### Container Gardening

Join Master Gardener Joan Baldwin to learn how you can use containers for a productive and fun gardening experience to make the most of the space and sunlight you have available.

Date and Time: Saturday, June 3, 10-11 AM

Location: Shoreline City Hall, 17500 Midvale Ave N, Shoreline, WA 98133

Additional information:

<https://extension.wsu.edu/king/tip-sheet-6-container-gardening/>

## Pollinator Friendly Gardening

Join Master Gardener Sarah Moore for an introduction to integrate pollinators into your garden and why, when, and how to minimize herbicide and pesticide use during pollination periods.

Date and Time: Saturday, June 17, 10-11 AM

Location: Spartan Recreation Center, 202 NE 185<sup>th</sup> St, Shoreline, WA 98155

Additional information:

<https://extension.wsu.edu/king/tip-sheet-12-pollinator-friendly-gardening/>

## Growing Small Fruit Berries

Join Master Gardener Joan Baldwin for an introduction to PNW raspberries, blackberries, blueberries, and strawberries. We'll introduce you to berry cultivation and care, bare-root planting techniques, hardy varieties for the PNW, pest management strategies, trellising, and harvesting berries at home.

Date and Time: Saturday, July 8, 10-11 AM

Location: Spartan Recreation Center, 202 NE 185<sup>th</sup> St, Shoreline, WA 98155

Additional information:

<http://gardening.wsu.edu/fruits/>

## Lawns Planting and Maintenance

Join WSU Ext Jim Kropf to learn how to choose a grass variety, site considerations, types of turfgrass cultivars, new lawn soil requirements, new lawn installation and care, maintenance, disease and insect control, and lawn renovation.

Date and Time: Saturday, July 22, 10-11 AM

Location: Spartan Recreation Center, 202 NE 185<sup>th</sup> St, Shoreline, WA 98155

Additional information:
