

Go Native Get to Know PNW Flowering Bulbs

2026 Master Gardeners of King County

Thank you for joining our Native Bulb presentation for the Master Gardeners of King County! We hope you enjoyed it and learned more about the wonders of flowering native bulbs. We also hope you gained new ideas and/or inspo about using native bulbs in your garden.

As with anything, there is always more to learn beyond what we presented. We're excited for you to continue expanding your knowledge about native bulbs on your gardening journey! Below are a few notes from our presentation and other information we thought would be helpful. You can always reach out to us at the contact info on the back page. Good luck and happy gardening!

~ Sean and Allison McManus, Spoken Garden
